Who is Albania's new AI Minister Diella?

(AP Photo/Vlasov Sulaj) TIRANA,Albania (AP) -- Albania's prime minister on Friday tapped an Artificial Intelligence-generated "minister" to tackle corruption and promote transparency and innovation in his new Cabinet. Officially named Diella -- the female form of the word for sun in the Albanian language -- the new AI minister is a virtual entity.

Did Albania appoint an AI Minister?

But Albania has chosen to turn that insult into a positive quality,by appointing an AI minister. Not a minister for artificial intelligence. Rather,a cabinet member who is,literally,the work of AI. The new addition is,like a pop star,known simply by the single name: Diella.

Does Albania have a strong incentive to tackle graft?

He believes Albania's rapid progress in EU accession talks and encouragement from Brussels to complete the negotiations by 2027 mean that the country has a powerful incentive to tackle graft. "There's a lot at stake," he says. "The main precondition from the EU has been to address corruption.

Who is e-Albania virtual assistant Diella?

Diella, depicted as a figure in a traditional Albanian folk costume, was created earlier this year, in cooperation with Microsoft, as a virtual assistant on the e-Albania public service platform, where she has helped users navigate the site and get access to about 1 million digital inquiries and documents.
