

Bulgaria's ambitious RESTORE tender opens doors for 3,000 MWh of renewable energy storage, offering EUR683 million in grants. Seize the chance to innovate by November 21!

Bulgaria's Ministry of Energy will finance 82 standalone renewable energy storage projects with a combined grant budget of BGN 1.154 billion (~\$675 million) under the EU ...

In Bulgaria, state-owned utility and power generation firm NEK is deploying BESS at its hydropower plants.

Bulgaria will finance 82 independent renewable energy storage projects worth over 1.15 billion leva (588 million euros) under the EU-funded ...

The RESTORE tender is funded under Bulgaria's National Recovery and Resilience Plan (NRRP), which aims to significantly increase ...

The tender aims to support the construction of at least 3 gigawatt-hours of storage capacity. It represents a crucial step in modernizing ...

Bulgaria's recovery and resilience plan calls for deployment of a minimum of 1.4 GW of renewable energy with storage in Bulgaria, including an ...

Bulgaria will finance 82 independent renewable energy storage projects worth over 1.15 billion leva (588 million euros) under the EU-funded program called RESTORE, the ...

Bulgaria's Ministry of Energy has approved EUR588 million in funding for 82 standalone battery energy storage projects, totaling nearly 9.7GWh of usable capacity. The ...

Sermatec has secured a huge energy storage project in Bulgaria, exceeding 430 MWh. This initiative aims to electrify Eastern Europe's energy landscape and promote green energy.

Sermatec: Secures 430+MWh Energy Storage Project Recently, Shanghai Sermatec Energy Technology Co., Ltd. has successfully secured a 430+MWh energy storage ...

Engineering, procurement and construction company Solaris Holding AD on Tuesday opened a hybrid renewable energy park in Pernik, ...

Austrian renewable energy firm Enery and Romanian oil and gas company OMV Petrom have agreed to

jointly develop a large-scale solar and battery storage project in north ...

This investment aims to expand the country's energy infrastructure and support the growing share of intermittent renewable power, particularly ...

Bulgaria's Ministry of Energy will finance 82 standalone renewable energy storage projects with a combined grant budget of BGN 1.154 billion ...

Vienna-based developer Renalfa IPP has started commercial operation at its 25 MW/55 MWh battery energy storage system (BESS) located in the city of Razlog, southwestern Bulgaria. ...

Karad, an existing solar PV project in Bulgaria. Image: RP Global. Bulgaria's Ministry of Energy has launched two tenders to add 1,425MW of ...

This event will bring together key stakeholders from across the region to explore the latest trends in energy storage, with a focus on the increasing integration of energy storage ...

This event will bring together key stakeholders from across the region to explore the latest trends in energy storage, with a focus on the ...

Developers of 249 projects in Bulgaria will receive EUR 268 million in total grants for renewable electricity plants with energy storage.

The RESTORE tender is funded under Bulgaria's National Recovery and Resilience Plan (NRRP), which aims to significantly increase the share of energy from ...

Developers of 82 standalone battery storage projects in Bulgaria, for an overall 9.71 GWh in capacity, got approval for EUR 587 million in subsidies from the Ministry of Energy.

Bulgaria will finance 82 projects worth over 1.14 billion leva (\$662 million/583 million euro) under an EU-funded initiative to build renewable electricity storage facilities with a ...

This investment aims to expand the country's energy infrastructure and support the growing share of intermittent renewable power, particularly from solar and wind.

Approximately 200 million EUR investments to encourage the combination of new renewables with local electricity storage facilities (totaling around 200 MW); Transformation of AES ...

A total of 249 projects focused on renewable electricity production and energy storage, valued at nearly 268 million euros will be funded through Bulgaria's National ...

Chinese energy storage system provider Shanghai Sermatec Energy Technology Co Ltd said on Monday it has recently secured a 430-MWh-plus energy storage procurement ...
