

Can I bring an outdoor power supply to Suriname

Do I need a power adapter in Suriname?

Since Suriname also uses Type A and B outlets, you won't need a power adapter for your devices if they match these types. However, you may need a voltage converter if the device does not support 127V or 230V. Ensure your devices are ready as you explore the vibrant streets of Paramaribo or the beautiful nature reserves like Brownsberg Nature Park.

What type of outlet does Suriname use?

Before you travel, check the information below to make sure your electronic devices are compatible with the outlet type and voltage. Suriname uses outlet types A, B, C, F at a voltage of 127/230V and a frequency of 60 Hz. Plug Compatibility: Type A, Type B, Type C, Type F Voltage: 127/230V Frequency: 60 Hz

What type of plug is used in Suriname?

Also known as the standard "Euro" plug, Type C outlets have two round pins. Also known as "Schuko," Type F outlets have two round pins with two earth clips on the side. The standard voltage in Suriname is 127V or 230V, and the frequency is 60Hz.

What is a Type F outlet in Suriname?

Also known as "Schuko," Type F outlets have two round pins with two earth clips on the side. The standard voltage in Suriname is 127V or 230V, and the frequency is 60Hz. Devices from countries with different voltage standards may require a voltage converter in addition to a plug adapter.

Do I need a 230 volt adapter for Paramaribo?

Ensure your devices are ready as you explore the vibrant streets of Paramaribo or the beautiful nature reserves like Brownsberg Nature Park. The United Kingdom uses Type G outlets with a voltage of 230V. If you're traveling from the UK, you'll need a Type G to Type A/B/C/F adapter.

What to do in Suriname?

Visitors can take a riverboat tour along the Suriname River or explore the pristine rainforests on guided hikes. The Brownsberg Nature Park and the Galibi Nature Reserve are also popular destinations for wildlife viewing. Suriname is also home to a diverse and vibrant culture, with influences from African, Indian, and indigenous cultures.
