

East Timor outdoor power supply can

Do I need a power plug adapter in East Timor?

In East Timor, they use power sockets (outlets) of type C, E, F and I. In Australia, you have plugs I. You need a power plug adapter in East Timor for sockets type C, E and F. Sockets type I can fit your plugs, but may not always be available locally. We don't sell power plug adapters.

What type of plug does East Timor use?

In North America, the standard plug types are Type A and Type B, with a voltage of 120V. Since East Timor uses Type C, E, and F outlets, you'll need a Type A/B to Type C/E/F adapter. Additionally, as the voltage in North America is different, you may also need a voltage converter for devices that are not dual-voltage.

What type of power socket is used in East Timor?

The power sockets in East Timor are of type C, E, F and I. The standard voltage is 220 V at a frequency of 50 Hz. You need a power plug (travel) adapter in East Timor.

What type of electrical outlet does East Timor use?

East Timor primarily uses Type C, Type E, and Type F electrical outlets. These types are commonly found in many European countries. Also known as the standard "Euro" plug, Type C outlets have two round pins. Similar to Type C but with an additional grounding pin, commonly used in France and Belgium.

Do power plugs work in Timor-Leste?

In Timor-Leste, navigating power plugs can be a bit of a puzzle due to the variety of types in use, including C, E, F, and I. Understanding these plug types and knowing which countries share the same type can save you a headache and keep your devices charged.

Do I need a travel adapter for Timor Leste?

If you are traveling to Timor Leste with electronic devices that use a different plug type, you will need to bring a travel adapter. You can purchase travel adapters at most electronics stores or online. It's important to note that plug types C, E, and F are all compatible with each other.
