

What is a Euro container?

Our range of Euro Containers is suitable for industrial, distribution and warehousing uses where materials handling and storage are essential. These are also known as stacking containers or euro boxes; These are designed to fit on European size pallets as well as standard pallets.

What are Euro boxes & containers & crates?

Ideal for all industry applications, our Euro Boxes, Containers and Crates offer stable stacking and effective product protection in storage and distribution. Euro stacking containers are space saving by design and also manufactured to fit euro pallet sizes.

What are Euro stacking containers?

Euro stacking containers are space saving by design and also manufactured to fit euro pallet sizes. Heavy duty, the euro stacking containers have an excellent volume capacity due to their straight sides. Many of our euro stacking storage boxes are available in a range of colours, branded and with or without lids.

What is a Euro container 43?

The Euro Container 43 is a 400 x 300 footprint container that stacks for easy storage of small parts and is designed for continuous lifelong use. T... The Dolly 64 - 300 is a straight stacking Dolly with an innovative uni-link feature and a 300 kg payload. Handling efficiency is highly important i...

Are Euro containers suitable for dishes?

Therefore, they are also perfectly suitable for dishes. If you want to transport particularly valuable things in a Euro container, we also offer a lockable model. No matter whether they are solid or perforated or come with or without a lid, all Euro containers are easy to stack and can perfectly use the space in your warehouse or vehicles.

Are Euro containers a good choice for retailing & logistics?

Sometimes, it is the really inconspicuous things that truly simplify the job of retailing and logistics. Euro containers are certainly one of them. Thanks to their standardised sizes, they can be optimally stacked, loaded and stored. They will fit perfectly into a truck or a storage rack in Thessaloniki or Krakow.
