

What are Euro boxes & containers & crates?

Ideal for all industry applications, our Euro Boxes, Containers and Crates offer stable stacking and effective product protection in storage and distribution. Euro stacking containers are space saving by design and also manufactured to fit euro pallet sizes.

What is a Euro container?

Our range of Euro Containers is suitable for industrial, distribution and warehousing uses where materials handling and storage are essential. These are also known as stacking containers or euro boxes; These are designed to fit on European size pallets as well as standard pallets.

What are Euro stacking containers?

Euro stacking containers are space saving by design and also manufactured to fit euro pallet sizes. Heavy duty, the euro stacking containers have an excellent volume capacity due to their straight sides. Many of our euro stacking storage boxes are available in a range of colours, branded and with or without lids.

What sizes can a Euro container be arranged on a pallet?

These EURO stacking containers can be easily arranged on EURO pallets, because they have standard footprints: 400 x 300 mm, 600 x 400 mm, 800 x 600 mm. For special sized items, we can offer you EURO container sizes such as 800 x 400 mm, 1000 x 400 mm or 1200 x 400 mm. What Are the Most Common Applications for EURO Plastic Boxes?

What are Fletcher European containers?

Fletcher European Containers manufacture and supply a huge range of plastic euro containers, plastic stacking boxes, stack nest crates, stackable plastic boxes, plastic trays, 600x400 containers, 800x600 containers, vented, solid and perforated containers.

How do I choose a plastic Euro stacking container?

If you need to retrieve items quickly, our open fronted boxes would be ideal. These plastic euro stacking containers are also compatible with a range of lids to keep the contents safe and secure. Just take a look at our hinged and drop on lids for euro containers to find the item that suits your needs best.
