

Ground Outdoor Power Supply

What is an outdoor ground box?

Ground-level power, right where you need it. It's the first UL-listed while in use in-ground box that provides permanent power and is always "on." Make the most of your outdoor spaces by delivering power, data, or AV connectivity with the new Outdoor Ground Box. Its low-profile design mounts flush with any outdoor ground surface.

What is a UL-listed outdoor ground box?

It's the first UL-listed while in use in-ground box that provides permanent power and is always "on." Make the most of your outdoor spaces by delivering power, data, or AV connectivity with the new Outdoor Ground Box. Its low-profile design mounts flush with any outdoor ground surface. Use our online locator tool to find a local distributor.

Why should you bring power outside?

All the power you need. Right where you need it. Bring safe, permanent power outside with outdoor ground boxes and charging stations. Promote longer stays, better productivity and more positive experiences at higher education campuses, offices, parks, patios and more.

In-ground service units from UK company Pop Up Power Supplies provide easy, safe access to power, water and other services, accessed by a flip-lid.
