Why do you need a portable charger or power bank?

With a portable charger or power bank, you can stay connected from wherever you are. Power banks are the perfect companion for outdoor trips, camping, holidays and long days out.

What is a power bank?

The typical power bank is a compact, little box about the size of a pack of cigarettes. For those who prefer something more rounded, cylinder-like models are available as well, so-called power tubes. Regardless of shape, these practical, compact devices don't take up much space. They fit comfortably into a handbag, backpack or even trouser pocket.
