

Where can I buy a power adapter in Morocco?

While adapters are available throughout Morocco, prices and quality can vary significantly. Major cities like Casablanca, Marrakech, and Rabat offer numerous electronics shops and department stores where you can purchase adapters. Shopping malls typically offer reliable options but at higher prices than local markets.

What type of power plugs are used in Morocco?

In Morocco, the power plugs and sockets are of type C and E. The standard voltage is 220 V and the standard frequency is 50 Hz. You will need a power plug adapter if you're traveling from a country with different plug types.
