When are solar module and inverter prices updated?

Solar Module Retailer Prices are updated on Monday. Solar System and Inverter Retailer Prices are updated on Friday.

What is a premium inverter?

Panasonic's Premium Inverter technology has a wide output range from 30% to 111%* ensuring constant comfort all year round. Market leading compact design with powerful airflow. Panasonic Air Conditioning systems feature intuitive technology and thoughtful engineering.

How does technology affect the cost of inverters?

First of all, in terms of material cost, with the advancement of technology, the cost of materials required for inverters is gradually decreasing. For example, the material costs of core components such as transistors and transformers are decreasing, which reduces the cost of the entire inverter to a certain extent.

Congsin is a professional inverter manufacturer in China, offering OEM power inverters, 12V/24V to 110V converters, solar charge controllers, and more. Get your bulk quote in 24h!
