

Photovoltaic panel manufacturer direct sales company

Can I buy solar panels in bulk containers?

Buy solar panels in bulk containers for large PV projects. Save BIG! Contact us for a quote on container pricing. Solar panels convert sunshine into renewable electricity. They come in all shapes and sizes, from durable thin-film solar panels to rigid aluminium-framed crystalline solar panels.

Where can I buy small Solar panels?

Located near San Diego, California, EcoDirect sells solar panels online and offers will-call options for local customers. For sizing help, please call us at (760) 597-0498 x2. Small solar panels are perfect trickle charging automobiles, garden equipment, remote equipment, emergency power equipment and small electronics.

Are REC Solar panels a good brand?

Norwegian brand REC is known primarily for its premium-class residential PV modules. However, it doesn't limit itself to this: the product line is wide enough that you can use wholesale REC solar panels for building a strong commercial system, small or large. REC products are known for high quality, great warranties and innovations.
