

The Bogen Model PS4815W power supply provides regulated 48V DC at 310 mA from a 100-240V AC, 47-63 Hz source, with a maximum power consumption of 15 watts. The unit's ...

The 48V communication power supply can be used as the operation and control power supply for program control switches, mobile communication equipment, power carrier, optical fiber ...

The embedded communication power supply system (Rectifier System) is suitable for small program-controlled switches, access networks, transmission equipment, mobile ...

48 Volt DC external power supplies from leading power adaptor manufacturers. Hundreds of models to choose from: 48V desktop adaptors and 48V wall plug ...

The embedded communication power supply system (Rectifier System) is suitable for small program-controlled switches, access networks, transmission ...

COSEL USA, now the LITEON Power Master Distributor, offers diverse power supply solutions, latest product releases, tech support, and sample programs.

48 Volt DC power supplies from leading power supply manufacturers. Hundreds of different 48 Volt models to choose from. Shop for a 48Vdc power supply on ...

Ps2000e|Power your condenser mic with the Alctron PS200 portable phantom power supply, featuring stable 48V output from a 9V alkaline battery or adapter, ideal for remote recording.

In communication, we often find that most of the communication power supplies are powered by -48V. In fact, there are many reasons and ...

Depusheng Phantom Power Supply 48V/12V Switch, Rechargeable Portable Phantom Power for Condenser/Interview Shotgun Microphone, Audio Interface, Recording Studios, Up to 40h ...

The Denecke PS-1A is a portable, single-channel low noise 48V phantom power supply, for field or studio use with a variety of condenser microphones. The ...

Description Product Description The embedded communication power supply system (Rectifier System) is suitable for small program-controlled switches, access networks, transmission ...

In communication, we often find that most of the communication power supplies are powered by -48V. In fact, there are many reasons and considerations for such a standard. ...

The Denecke PS-1A is a portable, single-channel low noise 48V phantom power supply, for field or studio use with a variety of condenser microphones. The unit operates off of a single 9V ...

TRC's lineup of 48Vdc external power supplies are UL listed and ideal for use in a variety of test and measurement products, portable devices and portable medical equipment applications.

Tax excluded, add at checkout if applicableOriginal Alctron PS200 portable 48V phantom power supply powerful and stable powered by 9 Volt alkaline battery or 9V DC adapter

The Bogen Model PS4815W power supply provides regulated 48V DC at 310 mA from a 100-240V AC, 47-63 Hz source, with a maximum power consumption ...

ComNet model PS48VDC-5A is a high-quality, low-noise switching mode power supply ideally suited to those applications requiring POE (Power Over Ethernet). This rugged unit may be ...

The Xvive P1 Portable Phantom Power Supply is a low-noise, 12V / 48V power supply. Running on an internal rechargeable battery, the P1 has enough power to run high-current microphones ...

Compared with +48V, -48V has some superiority in safety performance and technical features. Although not all regions in the world have ...

The robust power supplies with IP67 degree of protection are ideally suited for decentral supply in the field. The weather-resistant aluminum die-cast housing ...

Communications infrastructure equipment employs a variety of power system components. Power factor corrected (PFC) AC/DC power supplies with load sharing and redundancy (N+1) at the ...

Industry-specific attributes Style Condenser Microphone Communication Wired Use Conference Microphone, Karaoke Microphone, Stage Performance, Recording Function Low Noise, ...

TRC's lineup of 48Vdc external power supplies are UL listed and ideal for use in a variety of test and measurement products, portable devices and portable ...

Neumann BS 945 - phantom power supply 48v portable PSU in very good condition and perfect working order. The Neumann BS 945 is a single channel +48 volt phantom power supply and ...

48 Volt DC open frame power supplies from leading power supply manufacturers. Hundreds of different 48V

Portable-48v communication power supply

models to choose from. Shop for a 48Vdc open ...

Power Supplies are available at Mouser Electronics from industry leading manufacturers. Mouser is an authorized distributor for many power supply manufacturers including Artesyn, B& K ...

Buy the Bogen PS4815W 48V DC/310mA Power Supply from the experts at IP Phone Warehouse. Purchase Bogen PS4815W and get fast shipping!

Perfect for studio quality voiceovers at remote locations, live streaming setups, or on location interviews where consistent 48V power monitor remaining power through LED light while ...
