

Where can I buy outdoor power supplies in Sao Tome and Principe

Do I need a travel adapter in Sao Tome & Principe?

The electrical outlets and power plugs in Sao Tome and Principe are of types C & F (see images). If your country uses the same electrical outlets and power plugs, you don't need a travel adapter. However, you may still need a voltage converter if the voltage is different.

Are there electrical outlets in Sao Tome & Principe?

No, the electrical outlets in Sao Tome and Principe are different from those in the United States. In Sao Tome and Principe electrical outlets of types C & F are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Sao Tome and Principe?

What type of plugs fit in Sao Tome & Principe?

Also known as the Schuko plug. Plugs of type C and E will also fit in a type F socket. If you're not sure whether the outlets and plugs used in your country are the same as in Sao Tome and Principe, you can use the tool at the top of this page to check if you need a travel adapter.

Who owns electricity in Sao Tome & Principe?

Electrical power in the country is provided by the Empresa de Agua e Electricidade (EMAE), a public-private company that is 51% owned by the Government of Sao Tome and Principe, and the remaining 41% is jointly owned by the private sector, with Sonangol holding 40% and a local anonymous enterprise owning the remaining 9%.

What is the standard power socket voltage in Sao Tome & Principe?

All power sockets in Sao Tome and Principe provide a standard voltage of 220V with a standard frequency of 50Hz. You can use all your equipment in Sao Tome and Principe if the outlet voltage in your own country is between 220V-240V. This is the case in most of Europe, Australia, the United Kingdom and most countries in Africa and Asia.

Can I connect my laptop charger to an electrical outlet in Sao Tome & Principe?

Yes, you can connect your laptop charger to an electrical outlet in Sao Tome and Principe as long as the outlet is compatible with the charger's voltage and plug type. In Sao Tome and Principe, the standard voltage is 220V and the standard frequency is 50Hz.
