

Zimbabwe energy storage vehicle prices

How much does it cost to buy an EV in Zimbabwe?

Kutama estimated the bikes will cost between US\$1,500 and \$2,000 while EVs will cost between \$15,000 and \$20,000. The cost of buying an EV remains prohibitive for most Zimbabweans, however, and they turn to cheaper second-hand internal combustion vehicles imported from Japan.

How much does it cost to charge a battery in Zimbabwe?

To charge the battery in a high-range electric vehicle costs about US\$40 to cover a 500km journey; for an internal combustion vehicle one needs to fork out US\$140 or more for the same journey. Photo © Debra Matabvu For years Zimbabwe has struggled with fuel shortages on account of its foreign currency problems.

Are EV charging stations coming to Zimbabwe?

In anticipation of an impending influx of EVs in Zimbabwe, local fuel companies have begun setting up charging stations at their garages. In May Zuva Petroleum, one of the largest privately owned fuel companies in the country, partnered with local startup Electric Vehicle Centre Africa to set up charging stations at its garages countrywide.

What is Zimbabwe's electric vehicle policy?

The government is presently crafting a national electric vehicle policy, which it plans to release later this year. The policy will mark Zimbabwe's first steps towards an expedited transition from dependence on internal combustion engine vehicles to greener EVs in the future.

What is the future of electric vehicles in Zimbabwe?

Thanks to economic, environmental, and technological factors, the future of electric vehicles in Zimbabwe is bright: Infrastructure Scaleup: Everything from scaling charging network to solar powered stations. Leveraging Zimbabwe's rich sunshine will also enable the country to achieve energy autonomy in powering tariffs.

Can electric vehicles reduce emissions in Zimbabwe?

An expedited transition to climate-friendly electric vehicles (EVs) as a conduit towards reducing emissions was identified as one of the key mitigation measures Zimbabwe was to pursue.
